Rotolo - Semi-Frameless Bypass Rolling Door (Tub & Shower)

Basco's Rotolo offers the perfect combination of contemporary looks and functionality with its innovative bypass design. The smooth rolling door mechanism, dual bypassing glass panels, subtly curved towel bar and popular finish provide all the features of a premium door – with benefits of simplified installation and adjustability.

- Dual rolling 1/4" glass doors
- Visible top rollers on a sleek, modern header with anti-jumps safety feature
- Single exterior towel bar and one back-to-back knob
- Clear *(CL)* or AquaGlideXP Clear *(XP)* glass
- Chrome *(SV)*, Brushed Nickel *(BN)* or Oil Rubbed Bronze *(OR)* finish

Cantour - Heavy Glass Adjustable Frameless Door & Panel

The Cantour is anything but ordinary with its heavy glass and modern swing door design. The unrestrained luxury of this series features a distinctive, innovative hinge system designed for popular size openings. This is a heavy glass door with heavy adjustment - making installation easy!

- Frameless 3/8" glass door with a 1/2" glass panel
- Offset pivot hinge allows for up to 6" of adjustment
- Up to 7/16" of adjustment for out-of-plumb on both sides of the model
- Five standard size ranges fit openings from 32" - 60", with standard height of 76"
- Clear *(CL)* glass or AquaGlideXP Clear *(XP)* glass
- Chrome *(SV)*, Brushed Nickel *(BN)* or Oil Rubbed Bronze *(OR)* finish

Infinity - Semi-Frameless Bypass Door (Tub & Shower)

Infinity enclosures prove that less is more. The quarter-inch thick glass features polished edges for a beautiful balance of elegance and performance.

- Minimally framed 1/4" glass
- Contemporary, rounded header with anti-jump safety feature
- Two through-the-glass rounded towel bars
- Clear *(CL)* glass or Obscure *(OB)* glass
- Chrome *(SV)*, Brushed Nickel *(BN)* or Oil Rubbed Bronze *(OR)* finish

The entire list of ready to ship stock door model numbers with available sizes, glass and finish options is on our website along with the required order form.

Classic - Semi-Frameless Bypass Rolling Door (Tub & Shower)

The Classic semi-frameless glass shower doors enhance the look of any bathroom with bypass shower panels, free from aluminum framing. One panel includes a pull handle for one edge of the glass and the other panel has a towel bar that wraps around the glass.

- Dual sliding 3/16" glass doors
- Traditionally shaped header includes anti-jump safety feature
- Includes one exterior glass-mounted towel bar and one finger pull
- Clear *(CL),* Obscure *(OB)* or AquaGlideXP Clear *(XP)* glass
- Chrome *(SV),* Brushed Nickel *(BN) or* Oil Rubbed Bronze *(OR)* finish

Deluxe - Framed Bypass Sliding Door (Tub & Shower)

The Basco's Deluxe framed sliding shower doors possess proven design and performance. This bypass unit includes two towel bars that attach to the panel framing. Anodized aluminum hardware helps prevent rusting and corrosion. The header comes with a safety T-lock that ensures the unit's stability.

- Traditionally shaped header
- Features interior and exterior through-the-rail dual towel bars
- Bypass panels provide entrance on either side of the enclosure.
- Five standard size ranges fit openings from 32" - 60", with standard height of 76"
- Clear *(CL)* glass or Obscure *(OB)* glass
- Chrome *(SV),* Brushed Nickel *(BN) or* Oil Rubbed Bronze *(OR)* finish
